THE RISE

WHERE MONTREAL STREET RISES.

Every city keeps a handful of addresses that feel different. A quieter street, a longer view, light that lingers into the evening.

The Rise is five homes, stacked one to a floor, in warm brick and cedar and softened with planting on every deck. A lift to your own floor, a 10-metre west deck, three bedrooms and a rooftop of sauna, spa and terrace shared by just five owners.

5
RESIDENCES

148 M²
GROSS INTERIOR, L1 TO 4

30 M²
WEST DECK, EVERY HOME

THE RISE

THE RESIDENCES

FIVE HOMES. FIVE FLOORS.

Every residence takes an entire floor, so living, dining and the master suite all open to the west deck and the afternoon sun.

LEVELS 1, 2 AND 3

THE SKY RESIDENCES

148.4 M² 30 M²
GROSS INTERIOR WEST DECK

- Three bedrooms with a rectangular 18.4 m² third bedroom
- Master suite with walk-in robe and private ensuite
- Separate WC and shower room, each with its own basin
- Walk-in pantry beside the kitchen; east dining gallery
- Full-width 10 m west deck with sliding glass

Concept plan · west deck on the left · north up · not to scale · furniture indicative

LEVEL 4

THE PENTHOUSE

The top residence, with the roof over its deck removed, so ten metres of west deck open straight to the sky. Three bedrooms, a master suite with private ensuite, walk-in pantry and 148.4 m² of gross interior, one level below the rooftop pavilion and never passed through.

Concept plan · west terrace on the left · not to scale

GROUND FLOOR

THE GARDEN RESIDENCE

127.3 M² 30 M²
GROSS INTERIOR WEST TERRACE

- Three bedrooms, two bathrooms
- Master suite with walk-in robe and private ensuite
- Full-width west terrace beside the rear garden
- Open living, kitchen island and dining
- Level entry from the gated forecourt

OUTDOOR LIVING

EVENINGS BELONG TO THE WEST DECK.

Ten metres of deck runs the full width of every home, with sliding glass from the living room and master suite. It faces west, so the late sun stays with you, over the trees and rooftops towards the park.

ROOFTOP WELLNESS

A PRIVATE PAVILION ABOVE THE CITY.

A glazed wellness pavilion for residents only, reached by the shared lift so no one passes through the penthouse.

CEDAR SAUNA

Insulated cedar with a glazed front

SPA

2.6 × 2.6 m, under glass

GYM AND STRETCH

Sliding glass to the north and west

ROOF TERRACE

40 m², open to the sunset

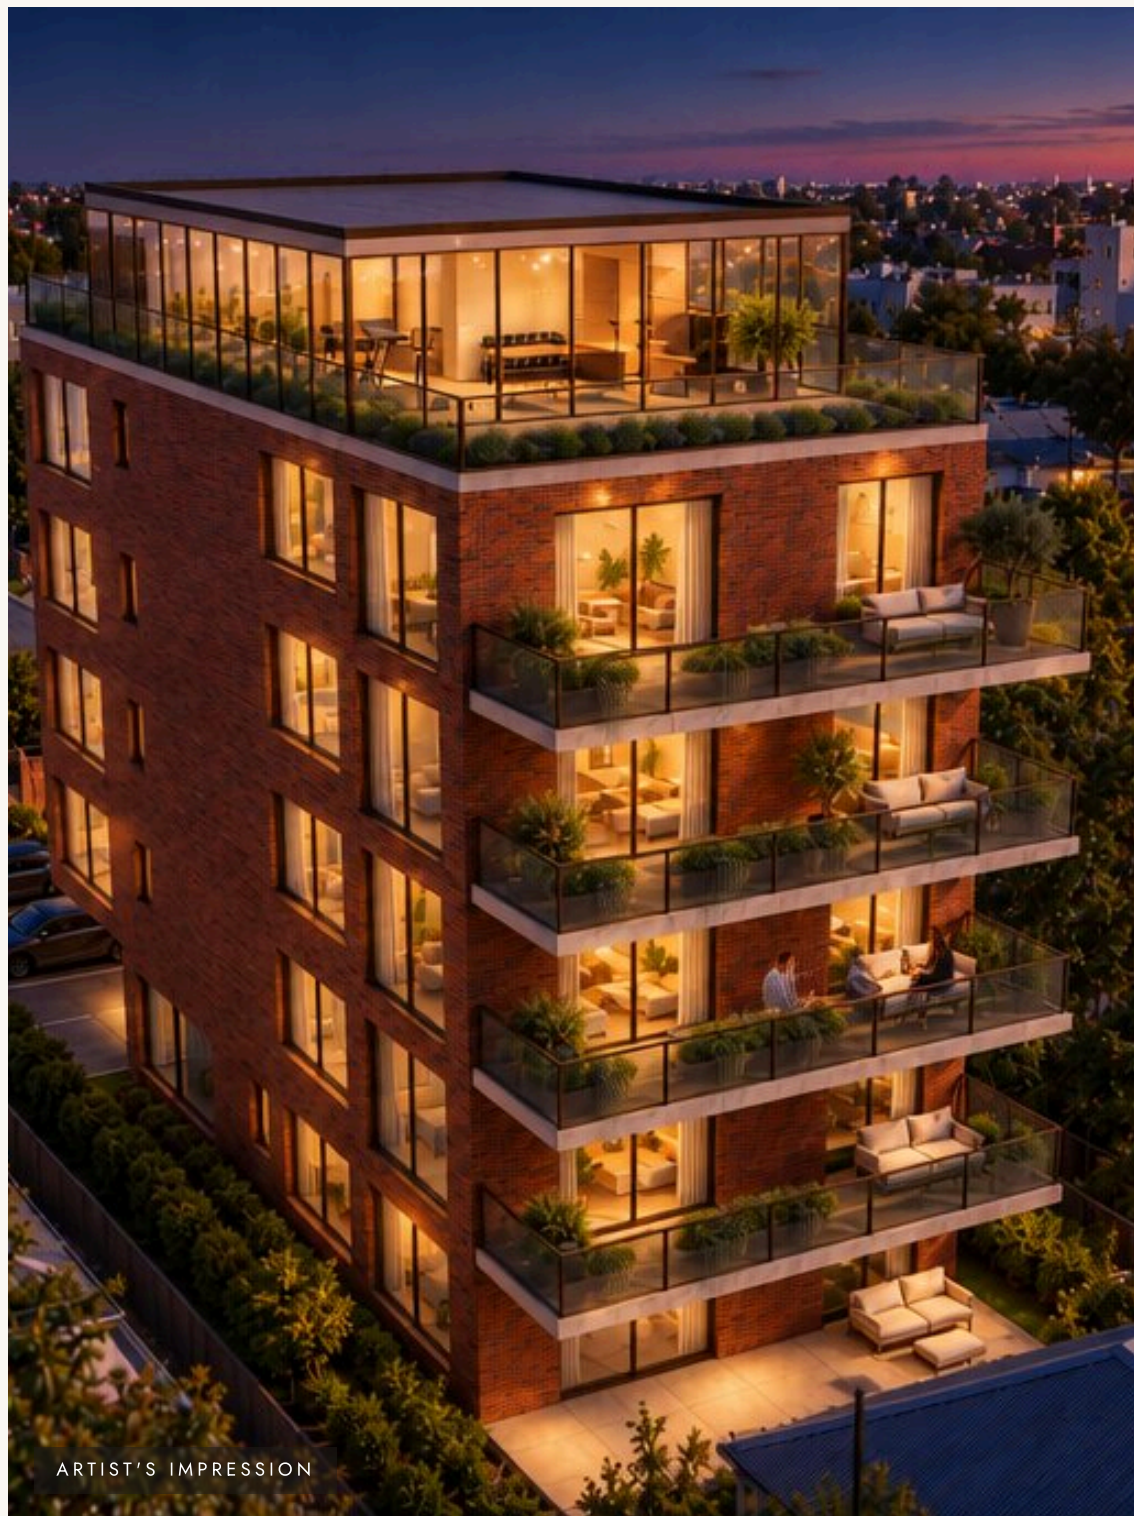

Rooftop concept plan · about 90 m² wellness area plus 40 m² terrace · not to scale

THE PAVILION

Predominantly sliding glass walls face west and north. The sauna is insulated cedar with a glazed front; the lift and stair core stays enclosed.

DESIGN

BRICK, CEDAR, STONE AND GREEN.

A disciplined brick facade, generous glazing and restrained cedar detailing, with planting brought onto every deck and along the boundaries to give the building a garden at every level.

ARRIVAL

GATED, PRIVATE, ONE PARK EACH.

- Sliding vehicle gate with intercom and a separate pedestrian gate
- Five parks in a private forecourt, one per residence
- Clearly expressed east entrance; lift and enclosed stair to every floor
